prestigious accolades for its schools and business community. In this publication, you will find information on area schools, entertainment, places to shop, dine and so much more.

Shop local! We have an amazing shopping mall, the Eden Prairie Center, that fits the needs of all visitors where we attract millions of shoppers each year. We've welcomed Scheels, the new 254,000 square foot store in July of 2020 and draw shoppers from across the Twin Cities and beyond. In addition, Eden Prairie has numerous strip malls, a wide variety of restaurants, entertainment, a distillery and our first brewery, Fat Pants Brewing Co.

Eden Prairie also offers a local bus service through Southwest Transit-- with a direct line to the Minnesota Twins Stadium, Target Center, US Bank Stadium and downtown Minneapolis. Additionally, Southwest LRT is scheduled to open in the years ahead.

At the Eden Prairie Chamber of Commerce, our focus is to help our businesses grow and prosper through numerous value-added programs, member-specific services, workforce initiatives and talent pipeline, public policy, networking, and young professional development-- Including hosting the Twin Cities Young Professionals (TCYP) Summit annually.

When you join the chamber, you're getting more than a membership. You're maximizing leads, connecting with local leaders, giving back to your community, and ensuring your business prospers.

Visit our website at [www.epchamber.org](http://www.epchamber.org) for more information.

The Eden Prairie Chamber has been serving the community for over 50 years. We are proud of the work we have done and continue to do for our members. MID-1800S  
WHEN IT WAS  
CONSIDERED A  
'GARDEN SPOT'  
IN THE NEWLY  
DEVELOPED

TERRITORY.**

Established in 1858, Eden Prairie remained a sleepy pastoral village until the mid-1900s when the additions of Flying Cloud Airport and Highway 494 put the City on the map, bringing thousands of homes and businesses to the area. Since then, the population of Eden Prairie has grown to more than 64,000 and the number of businesses has multiplied to more than 2,800.

The growing community enjoys a low crime rate, top-rated educational opportunities and affordable housing options, in addition to nearly 10,000 acres of land designated for parks and open spaces, miles of scenic views and a multitude of breathtaking lakes and beaches. Residents consistently rank the quality of life in Eden Prairie highly and the City has been listed among Money magazine's "Best Places to Live" in America since 2006.

# Eden Prairie's Commitment

**EDEN PRAIRIE IS  
WELL-KNOWN FOR BEING  
ONE OF THE MOST BEAUTIFUL  
AND MOST LIVABLE CITIES  
IN MINNESOTA.**

In order to keep it this way, both the City and our private companies work together to keep the community safe, clean, and efficient.

Many of our companies take pride in our city and do their part to keep it one of the best places to live. Our garbage and recycling companies, like Republic Services, use ecological ways to keep the city clean for the public. This is no small task as the expansive web of parks, trails, and neighborhoods that exist in the city continue to grow from year to year.

In terms of safety and quality of life, Eden Prairie is proud to have a Police Department that is committed to providing customized service by exercising discretion and fairness in enforcement and to build public trust in the department. All members of the community, businesses, and households alike, work hard to maintain a city that is ideal for all who live here.
