

Dear Eden Prairie Chamber Members:

Welcome to 2025! I am pleased to serve as the 2025 Eden Prairie Chamber Board Chair, and I look forward to working with all Chamber members to help their businesses grow and prosper in the new year.

I am passionate about Eden Prairie, a city of strong schools, well-run city government, and a vibrant business community. My children attended Eden Prairie Schools, which prepared them so well for college and life beyond. I support the many wonderful nonprofit organizations in Eden Prairie, and I focus my business activities in this great city. I know that our Chamber of Commerce works every day to support and enhance our business community and I am proud to be a part of such an amazing organization.

The Eden Prairie Chamber is committed to enhancing our members' business success through leadership, advocacy, and growth opportunities. We strive to meet the needs of all members, from solo practitioners to mid-sized regional companies to large national organizations. Most of our members are familiar with the chamber's numerous current programs, including a wide-variety of networking and training opportunities, public policy advocacy on behalf of our business community, and community events such as the 'Everything Spring' Home and Garden Expo, the Twin Cities Young Professional Summit, and the Career, College, and Job Fairs at Eden Prairie High School. In addition, we have some new and exciting opportunities coming in 2025, including:

- Value-added programs that provide tangible benefits to our businesses, such as our Human Resources, Small Business, and Restaurant Roundtables.
- New leadership and development initiatives for employees, including Leadership Eden Prairie and the Board of Advisors.
- Launch of the Eden Prairie Chamber Foundation, which will enhance the quality of life for the residents and businesses of Eden Prairie and vicinity by raising funds and developing programs in education, workforce development, and economic development.
- Increased marketing and promotion options for chamber businesses of all sizes, including member blogs, press releases, online advertising, and business spotlights.

Please know that I am always available to collaborate and connect with all of our chamber businesses. I wish all chamber members a prosperous and fulfilling 2025 and let's work together to keep making Eden Prairie an amazing place to live, work, and play!

Anne Byrne
2025 Board Chair
